Dear Friends,

*On behalf of The Smiles of Innocence Memorial Charity, in support of the SickKids Foundation, I am honoured that Hardly Aged and Company chose us as the recipient of last year's fundraising initiative that was held in December 2006.*

*It is because of the tremendous support, dedication and commitment of people like you that we are able to continue to raise funds and awareness through various activities in the community for the Hospital for Sick Kids.*

*The Smiles of Innocence Memorial Charity was founded in 1998, in memory of my son Daniel who passed away at the tender age of 4. Having spent a tremendous amount of time at the Hospital for Sick Kids I realized that my son was one of many children forced to deal with pain, suffering and the unknown every day of his short life. I also realized how important it is to give back. Imagine a world were every child is healthy. That is our goal. To do whatever we can to promote awareness and raise funds to conduct research, teach the next generation of health care providers and ensure the latest technology is available for our children all over the world.*

*Thank you for your commitment to our cause and believing in healthier children and a better world.*

Yours truly,

John Povegliano
